Separately, Partner [1-58] are also referred to as a 'Partner' and jointly the 'Partners'.

Preamble:

DocuSign Envelope ID: 9B240BF6-B41D-485C-B7DA-61CFD9D01654

WHEREAS: The Innovation Fond Denmark (IFD) intends to provide an Investment to the Partners under the terms of the Investment Agreement, however conditioned upon the Partners entering into a Partnership agreement, which governs the Partners' Partnership and the rights and obligations of the Partners in connection with their participation in the Partnership.

THEREFORE IT IS AGREED AS FOLLOWS:

1 Definitions

Words beginning with a capital letter shall have the meaning defined in this Partnership Agreement, and where not defined herein they shall have the meaning defined in the Investment Agreement including its Exhibits.

Accession Agreement: Agreement between the Partnership, IFD and an acceding entity, whether as Partnership Partner or Partnership Contributor.

Background Knowledge: The Partners' unpublished knowledge in the form of know-how, data, unpublished inventions or other specialized unpublished knowledge whether it is or can be protected and intellectual property rights derived thereof that the Partners have informed each other of or made available for the completion of the Project and/or Partnership.

Foreground Knowledge: All information – including any data and/or result, regardless of form and regardless of whether it is or can be protected and intellectual property rights derived thereof, which originates from the Partnership or Project and which is generated by an employee allocated by a Partner to the Partnership and/or Project respectively.

Confidential Information: The Partners' Background Knowledge clearly marked as confidential**.**

Investment: The Investment given by IFD as set forth in the Investment Agreement and as detailed in the Budget.

Project: A project that has applied for and/or receives funding from the IFD as part of Partnership based on an application forwarded to the Partnership.

Partnership Agreement: This Partnership Agreement regarding Partnership – Innimission1, (identical with the term "Collaboration Agreement" in Investment Agreement section 3.2.)

2 Background and purpose

DocuSign Envelope ID: 9B240BF6-B41D-485C-B7DA-61CFD9D01654

2.1 The Partners have applied for and receives the Investment from IFD cf. Investment Agreement regarding research and innovation for capture and storage or use of CO2.

2.2 The purpose of this Partnership Agreement is to determine the rights and obligations between the Partners under the Investment Agreement. In the event of any conflict between this Partnership Agreement and the Investment Agreement (or any Exhibit of the Investment Agreement other than this Partnership Agreement), the Investment Agreement (and its Exhibits) shall prevail.

2.3 The Partnership will contribute substantially to the Danish and global climate goals in 2030 and 2050 by developing and demonstrating sustainable CCUS solutions and value chains to benefit socio-economic development and the environment. The Partnership has the ambition to achieve a fundamental change in the way we view, value, and use carbon resources to enable a complete shift of the current system from fossil-based to biogenic carbon sources. The Roadmap will outline solutions that generate a wealth of new industries, export opportunities, growth, and jobs through multi-stakeholder and cross-sectoral collaboration. The role of the CCUS partnership will be to coordinate efforts towards achieving the Danish climate goals in 2030 and 2050 by fulfilling the goals of the CCUS roadmap. The CCUS Partnership will generate the proper knowledge, networks, development, regulation, and support mechanisms required for realising the CO2-reduction, job creation, export, and environmental improvement opportunities represented in the CCUS roadmap.

3 Obligations of the Partners

3.1 The Partners conducts the Partnership in accordance with the terms and conditions in this Partnership Agreement including the application to IFD.

3.2 Each Partner shall immediately inform the Partnership Leader of any issues arising out of the Partnership including but not limited to delay, budgetary issues, collaboration issues or this like.

3.3 The Partners will at all times stay up-to date on IFDs Guidelines to be found in IFD’s webpage.

4 Budget and reporting

4.1 The Partners have jointly prepared a Budget for the Partnership, as detailed in Exhibit 5 to the Investment Agreement. Reference is also made to Clauses 4, 5 and 6 of the Investment Agreement.

4.2 The Administrator shall receive the funding under the Investment directly from the IFD under and in accordance with the terms and conditions of the Investment Agreement. The Administrator shall transfer the portion due to each Partner as set out in the Budget for each Partner and following receipt of a valid invoice and payment details from the receiving Partner. All such payments shall only be made as long as the relevant Partner has complied with this Partnership

DocuSign Envelope ID: 9B240BF6-B41D-485C-B7DA-61CFD9D01654

Agreement and subject to payment having been received by the Administrator from IFD for that purpose.

5 Management

5.1 Overall management structure of the Project is outlined in the Investment Agreement Exhibit 3..

5.2 The Board of Directors for INNO-CCUS consists of a total of 10 members distributed as follows: 4 large companies, 1 SME, 4 research institutions and 1 GTS. The Board of Directors appoints a chairman and a vice chairman. The seats are filled according to the procedure described in the Investment Agreement's Exhibit 4.

5.3

6 Rights

6.1 All rights to Background Knowledge including ownership shall remain with the Partner owning or controlling said Background Knowledge, and the participation in the Partnership and/or Project shall not affect such rights in its Background Knowledge.

6.2 Each Partner shall own the Foreground Knowledge created solely by that Partner as a result of their performance of the Partnership and/or Project. Foreground Knowledge created jointly by one or more Partners shall be jointly owned by those Partners according to their respective intellectual contributions. Any additional provisions on rights and transfer of rights for each Project will governed by the separate project agreement for that Project cf. Clause 12.3.

6.3 During the term of the Partnership and/or Project respectively, the Partners shall grant each other a non-exclusive, non-transferable, fully paid-up access right to use their respective Background Knowledge and Foreground Knowledge that is required for the purpose of completing a Project or for the tasks within the Partnership and for no other reason.

7 Confidentiality

7.1 Confidential Information received by one Partner from the other Partners in connection with the Partnership shall only be used for the Partnership and shall not without the written consent of the Partner from whom the Confidential Information has been received be passed on to individuals not taking part in the Partnership. This Section 7 regulates confidentiality between the Partners. Any additional provisions on confidentiality in the Projects will be governed by the separate project agreement for that Project cf. Clause 12.3.

7.2 A Partner's obligation to treat Confidential Information as confidential, cf. Clause 7.1, shall apply to all individuals who gain access to the other Partner's Confidential Information. The Partners shall issue instructions about the duty to treat the Confidential Information of the other Partners as confidential. The Partners shall, when relevant, take the risk

DocuSign Envelope ID: 9B240BF6-B41D-485C-B7DA-61CFD9D01654

of contamination of another Partner's Confidential Information into consideration in the Project Agreements cf. Clause 12.3.

7.3 A Partner's duty of confidentiality as set out in Clauses 7.1 and 7.2 shall not apply to knowledge that:

- *at the time of acquisition was or later became publicly available and not as a result of a breach of the duty of confidentiality;*
- *was received without any restrictions regarding confidentiality from a third Partner who was entitled to pass on the knowledge in question;*
- *a Partner has developed independently of his participation in the Project as documented in the books and records of such Partner*

7.4 In the event of a dispute about the duty of confidentiality, the Partner who wishes to invoke one of the provisions in Clause 7.3 shall have the burden of proof.

7.5 If Confidential Information must be passed on to outside Partners in accordance with an obligation stipulated by law, a legal decision or other binding public document the receiving Partner shall without undue delay inform the owning Partner. The receiving Partner's disclosure in this event does not constitute a breach of the confidentiality obligation in this Partnership Agreement.

7.6 The duty of confidentiality shall terminate 3 (three) years after completion of the Partnership.

8 Dissemination

8.1 The Partners will disseminate the progress done in the Partnership cf. also clause 9 in Investment Agreement and the Project Plan.

8.2 The academic institutions are obliged to publish scientific achievements and disseminate the results of its research activities in other ways. Publication and authorship shall follow the rules laid down in the Danish Code of Conduct for Research Integrity both for Partnership and for Project activities. Substantial contributions to the work shall always be disclosed accordingly.

8.3 Each Partner participating in a Project shall be entitled to publish its own Foreground Knowledge. Publishing of the Foreground Knowledge owned solely by another party in the Project shall require that party's consent. Foreground Knowledge jointly owned by more than one party in a Project that include a Partner can be published jointly by those parties, or, in the case that one of the party does not wish to participate in the publication, the Partner shall be entitled to publish on its own. Any additional provisions on publication e.g. a publications procedure for each Project will governed by the separate project agreement for that Project cf. Clause 12.3.

8.4 Publication of knowledge shall always take place with due respect for the duty of confidentiality set out in Clause 7.

DocuSign Envelope ID: 9B240BF6-B41D-485C-B7DA-61CFD9D01654

9 Termination and Breach

9.1 Any Partner may terminate its participation in the Partnership in accordance with the Investment Agreement's Clause 13.3 (termination not for breach) and Clause 14.1 (termination for breach), which termination shall cause the simultaneous termination of the Partner's participation under this Partnership Agreement.

Where a Partner receives notice of termination of its participation under the Investment Agreement (cf. Clause 13.4 and Clause 14.1 hereof), the Partner shall promptly provide all other Partners with notice to that effect and this Partnership Agreement shall be deemed to have been terminated in respect of that Partner with effect at the Effective Date of the termination of the Partner's participation under the Investment Agreement.

If the Investment Agreement and Partnership Agreement is terminated vis-à-vis a Partner, any project agreements involving said Partner will automatically terminate vis-à-vis the respective Partner as well. Termination of a project agreement vis-à-vis a Partner shall not affect this Partnership Agreement.

If a Partner is prevented from fulfilling its obligations under the Partnership Agreement as a result of extraordinary events beyond the Partner's control and which the Partner could not have foreseen when the Partnership Agreement was entered into (force majeure), this shall not be regarded as a breach. However, in such cases the other Partners shall be entitled to terminate the Partnership Agreement with the Partner that is prevented from fulfilling its obligations if the result would be a material delay in the completion of the Project.

9.2 If the Partnership Agreement is terminated vis-à-vis a Partner in breach, the other Partners can claim compensation for the loss caused by the breach in accordance with the provisions set out in Clause 10.

10 Liability

10.1 The Partners shall perform their tasks to the best of their ability and in accordance with best practices for scientific work and the Danish Code of Conduct for Research Integrity. A Partner shall be liable for gross negligence or intentional neglect of its obligations under the Partnership Agreement and/or Investment Agreement. The Partners shall not provide any guarantee and cannot be held liable if their performance in connection with the completion of the Project does not lead to a specific result. See also Clause 7.9 of the Investment Agreement.

10.2 None of the Partners shall be liable for a failure to fulfil their obligations under the Partnership Agreement and/or Investment Agreement if the failure to perform is due to force majeure as set out in Clause 9.2.

10.3 Apart from a breach of confidentiality, cf. Clause 7, the liability of one Partner to compensate the other Partner shall not apply to consequential losses such as production interruptions, loss of

DocuSign Envelope ID: 9B240BF6-B41D-485C-B7DA-61CFD9D01654

turnover/profit, other indirect losses, or losses which could not reasonably have been foreseen by the Partners.

10.4 The Partner's total liability for damages, except for breach of the duty of confidentiality or in the event that a Partner uses Foreground Knowledge commercially, shall be limited to the relevant Project Participant's share of the budget or DKK 500.000 whichever is higher, except in case of gross negligence, intentional acts or omissions.

10.5 Notwithstanding the above, the Participants in a Project can decide to derogate from the limitation of liability stipulated in Section 10.4 above in their project agreement.

11 Amendments to the Partnership Agreement

11.1 Any amendments to this Partnership Agreement shall be in writing and be signed by all Partners and acceding Partnership Participants and shall be subject to the prior written consent of IFD in order to be valid, cf. Clause 11.4 of the Investment Agreement.

11.2 The Partners shall be prepared to renegotiate the Partnership Agreement if a Partner can prove the failure of basic and material conditions for entering into the Partnership Agreement.

12 Projects

12.1 The Partners will through the Board of Directors make the first rough selection of Projects and propose to IFD which should receive funding. Whenever a Partner or Partnership Participant is part of a Project proposal, said Partnership Participant and/or Partner will not take part in the assessment of said Project.

12.2 IFD makes the decision regarding approving or declining funding to the proposed Projects.

12.3 The Projects will be governed by a separate project agreement which will be based on the templates of (one of) the university(ies) that participate(s) in the Project, which university is also a Partner to this Agreement. Such project agreement is also subject to the terms and conditions of this Partnership Agreement and Investment Agreement.

13 Duration and Entry in to force

13.1 An entity becomes a Partner to this Partnership Agreement upon signature of this Partnership Agreement by a duly authorized representative.

13.2 This Partnership Agreement shall become effective as of the Effective Date [15.05.2022].

13.3 Except for the provisions of the Partnership Agreement that according to their content are intended to be in effect for longer, the Partnership Agreement shall expire when the final Project has been completed and the Partners have performed their obligations in respect thereof, cf. the

DocuSign Envelope ID: 9B240BF6-B41D-485C-B7DA-61CFD9D01654

Project Plan, unless earlier terminated in accordance with this Partnership Agreement and the Investment Agreement.

13.4 Investments under pool 2 budget shall follow the process described in Exhibit 3 to the Investment Agreement.

14 Accession of new Partners

14.1 Accession Agreement shall be signed by Partner Lead, Administrator and IFD together with acceding Partner. In the accession agreement it will be determined if the acceding Partner accedes as Partnership Partner or Partnership Contributor.

14.2 If a Partner's participation in the Partnership is terminated, regardless of cause, cf. Clauses 13 or 14 of the Investment Agreement, the Board of Directors shall make a recommendation to the remaining Partners regarding the basis of an agreement according to which the terminating Partner's contribution to the Project is taken over by one or more of the other Partners or by a new Partnership Participant. The recommendation shall aim at maintaining the defined Project goals to the greatest possible extent and shall be approved by the IFD.

14.1 Each participant in a Project not already a Partner or Partnership Contributor to this Agreement will also sign an Accession Agreement.

15 Personal data

15.1 Each Partner must ensure sufficient legal basis for any personal data it processes and take any required security measures in accordance with applicable law on personal data before sharing or transferring any personal data with the other Partner.

15.2 When entering the Agreement and fulfilling the contractual obligations, each Partner processes information about the other Partners' employees that participate in the performance of the Agreement and other persons necessary for the completion of the Agreement. Each Partner is data controller for the processing of such personal data and shall process it in accordance with each Partner's privacy policy and applicable general data protection regulation. The data subjects are entitled to obtain access to and rectification of their own personal data.

16 Disputes

16.1 All disputes between two or more of the Partners about the interpretation and implementation of this Partnership Agreement shall be settled in accordance with Danish law, with exception of Danish conflict of laws rules where such rules would lead to application of the law of another country.

16.2 Any dispute shall be settled in accordance with the procedures in Clause 16 of the Investment Agreement.

16.3 The provisions in Clause 16 of the Investment Agreement shall not prevent a Partner from making use of the provisions of the Danish

DocuSign Envelope ID: 9B240BF6-B41D-485C-B7DA-61CFD9D01654

Administration of Justice Act on injunction and/or other interlocutory remedies.

17 Appendices

Appendix 1	Accession Agreement
Appendix 2	Partnership participant types

18 Signatures

18.1 This Partnership Agreement may be signed by authorized signatories via verified e-signature, or a scan of a handwritten signature page, or a handwritten signature page in hardcopy/-ies, and signatures obtained in either of these manners shall be considered original, and legally binding.

Partnership agreement // Exhibit 1 - Partnership Participant levels in INNO-CCUS

For the INNO-CCUS partnership two levels of Partnership Participants apply.
According to the conditions described here, Partnership Participants enter the INNO-CCUS partnership either as Partnership Partner or Partnership Contributor. Each Partnership Participant chooses a representative. Each organisation's representative will act as a contact person for communication with the INNO-CCUS secretariat. The organisation representative for companies are eligible for the Partnership Board of Directors; election follows the procedure described in Investment Agreement's Exhibit 4, Rules of Procedure for the Steering Committee. The Partnership Participant levels can be amended by the Partnership BoD.

If a partner needs to change its partnership type, this request goes via the INNO-CCUS secretariat.

Conditions for participating as Partnership Partner (PP):

1. All PPs must participate in at least one project within the INNO-CCUS project portfolio
2. Knowledge institutions included in the rotation plan for the Partnership Board of Directors are assigned as PP's
3. Knowledge institutions not included in the rotation plan for the Partnership Board of Directors may choose to participate as PP
4. Companies may choose to participate as PP
5. Company PPs must assign themselves to the most relevant workstream (1-4), i.e. their primary workstream.
6. Company PPs can vote at the General Assembly for the seat representing their primary workstream in the Partnership Board of Directors
7. Companies participating as PPs can be elected to the partnership Board of Directors
8. All PPs pay an annual fee of 10,000 DKK to the Partnership.
9. If a PP decides to change its status from PP to PC, they should contact the INNO-CCUS secretariat. The PP fee is non-refundable in this case.

Conditions for participating as Partnership Contributor (PC):

1. PCs enter the Partnership on equal terms as PPs, except:
2. Knowledge institutions not included in the rotation plan for the Partnership Board of Directors may choose to participate as PC
3. All public authorities and municipalities are assigned as PCs
4. Companies may choose to participate as PC
5. PCs can not vote at the General Assemby for Partnership Board of Directors
6. PCs can not be elected to the Partnership Board of Directors
7. PCs do not pay an annual fee of 10,000 DKK.
